# The Divine Healing Series

If you haven't read [How Arcturians are Healing Planet Earth](#), then a lot of this material, as it is chronologically presented in this series may seem a bit confusing.

Therefore, I encourage you to fill in all of the critical missing pieces by simply reading that life altering book as soon as possible.

## Why?

Because all of these eBooks in this series were created after [How Arcturians are Healing Planet Earth](#) was published in 2012. Everything in this ongoing series is additional, updated current information, that will help you find true, lasting health and happiness in your life, if applied. Something that may have been denied you all of your life, as well as your previous incarnations.

I look forward to reading your comments in the Kindle review section soon. And please let me know what you would like to read about in future eBooks.

Many Blessings,

Wayne & TEAM

# The Andromedan's Role

## What role do the Andromedans play in a Divine Healing?

Andromedans are members of the Federation of Light that work closely with other light members, such as the Arcturians, to help fulfill the grand commission for planet Earth.

As with all members of the Divine Healing TEAM, **they only help those souls that ask.**

If a soul requests assistance, and they are able to help and if it does not interfere with a higher plan, then they, along with other beings of the Light, may assist.

The Andromedans have been doing their part as a Divine Healing TEAM member by removing dark, **negative grey aliens from our planet, along with the destructive mutations that the greys have created to possess you.**

These mutations, once planted by the greys, **need divine intervention to remove them,** and the Andromedans have been given that assignment by the Federation of Light.

These mutations, when they are on the attack, appear to me as a sea lamprey, eel-like creature, with a large open mouth filled with sharp teeth

around the perimeter. (I can assure you, that it is NOT a pleasant vision when these mutations are coming directly at you in attack mode!)

Here is kind-of what I see in a tamed down mode... if you want to hit this link:

**[oceanservice.noaa.gov/facts/sea-lamprey.html](https://oceanservice.noaa.gov/facts/sea-lamprey.html)**

## **Will grey mutations leave on their own?**

**These grey mutations are negative, parasitic beings of the dark, and once they have penetrated your auric shield and gotten inside you, they remain until removed by the Andromedans.**

Andromedans are able to neutralize the grey mutations dark energy and “pull” them upwards and out through your crown chakra.

Once these have been removed, I have never seen anyone become possessed by these grey mutations again.

Some people mistakenly think the greys have been eradicated from our planet, but this is part of the **false and misleading information that is being continually disseminated by the dark ones.**

For the time being, they are still an active force, unfortunately.

**The Andromedans are also able to assist the Divine Healing TEAM by removing active alien greys, that are playing a disruptive role in and around you, and your loved ones.**

## **How long have the Andromedans been healing those on Earth?**

The Andromedans have been actively involved in this Divine Healing role since the end of December 2012, when there were many other transitions taking place around planet Earth.

They rarely act alone but prefer to work as an active TEAM member during individual Divine Healings;

or while we are conducting Vortex of Light portal clearings around the planet.

We each have a unique role to play in these Divine Healings; whether that be removing reptilians, demons, attachments, cords or grey alien mutations.

**The Andromedans have many gifts** outside of this highly specialized role, but they appear to especially enjoy working with the Arcturians, and other members of the Divine Healing TEAM.

They are quick to exclaim that working together with other highly evolved spiritual brothers and sisters, like the Arcturians,

**is much more effective and productive than going solo.**

# What Others Have to Say

*Our planet needs to get rid of this plague! And since I see the wonder happening after my own clearing, I can't resist helping others to experience the same. My parents have improved so much and are doing well. It's amazing. My family is recovering. Thank you for what you are doing for us, for the planet, and for the universe. –MK*

•••••

*Thanks so much for the healing. It has been very powerful for me. I've been experiencing lots of deep love and a profound connection with my divine teacher. Also I have been sensing angels around when I give D. blessings, which is new and very beautiful. I am currently researching all your work and both N. and I will sign up for the monthly sessions. –LM*

•••••

*Thank you so much for the session today. I feel much better. I can see now how I got myself a bit lost there for a while. It is comforting to know just how much people are actually being helped. I can regroup now and concentrate on myself and take some positive action to improve my health. You gave me some great advice. I feel more inspired and confident now. I have started to read your book again, and I will read it seven times. –RM*

•••••

*My most recent divine healing with Wayne was life altering. I had been having a very difficult time and knew I needed help. I was not interested in the traditional methods because they always felt like a band aid and not long-term change, growth, and ultimately peace and light. Wayne made a personal divine healing recording for me. I have listened to it every other day. I have repeatedly asked the guides and angels and archangels for help. It works!! I feel like I have taken my life back. I felt lost and out of control, and now I feel peace, light, and love. I truly believe in Wayne's work.*

*Anyone even thinking of doing a healing should take the leap of faith and do so. You have nothing to lose and a lot to gain. In light and love. –SE*

### HOW ARCTURIANS ARE HEALING PLANET EARTH

The Arcturians are here **right now** helping to heal the planet by removing alien Reptilians and sending them to the Light. The Arcturians come from Arcturus, a star in the Bootes Constellation. They are assisting us in ascending to the Fifth Dimension by decreasing human negativity, much of which is caused by alien Reptilians. The great news is that once the Arcturians send a Reptilian to the Light, it cannot return to harm anyone again. The Arcturians are ready to communicate—and work with—any soul who aspires to journey with them to a higher level of consciousness.
